

# Rotary

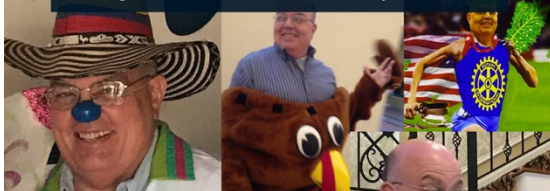

Clarkstown Sunrise Rotarians are a diverse group who enjoy great fellowship, wonderful and informative weekly guest speakers, international friendships and the ability for ordinary members of the community to do extraordinary things! Our current focus, which members are passionate about, is our international partnership with the Rotary Club of Neiva Noches Platenas and the Huellas Foundation, supporting their "Hearts, Dreams & Laughs" program - helping terminally ill children smile and laugh. We welcome you to join us!
